Parent Teacher Conference - Questionnaire - *Optional*

At Northland School we work alongside our parents to create the best possible learning environment for our students. The sharing of knowledge about your child will help us get to know your child even more. Please complete this questionnaire (it is optional) and return it to your child's teacher. The information provided will assist us to plan programmes to meet the needs of your child.

Please fill in the statements that you feel are **applicable to your child**, including interests and strengths that are not school related.
