

Year 7/8 Camp 2019

Wednesday 7 November 2018

Kia ora koutou

Next year's Team 4 Camp will be held at Palm Grove Christian Camp, Paraparaumu, and is booked for Week Three of Term One, which is the week of **18-22 February**, inclusive. Some of the planned activities include trips to Ngā Manu Nature Reserve, Waikanae Beach and Kāpiti Island as well as various camp-based activities including archery, orienteering, swimming and a waterslide.

We need twelve enthusiastic adults with us at all times. This does not necessarily mean the same adults for the whole week, although preference may be given to those who can do so. If you can only spare two or three days, we may be able to roster suitable supervision. Please indicate on the form below if you are willing to assist. In accordance with amendments to the Education Standards Act, all adults who are staying overnight are required to undergo a police check to ensure their suitability for the role. Because this camp is earlier than usual we need to kick-start this process now. If you have a skill/activity you could offer in case we are unable to sail to Kāpiti, please note this on the form as well.

Travel to and from Paraparaumu will be by bus, which will pick us up on the Monday morning and drop us back at school on the Friday afternoon. Buses will be used each day to take students to their activities around the Kapiti coast. Some parents may opt to take a car which is helpful.

Further information regarding final cost, gear lists and other items will be sent home later this term. If you have any questions, please feel free to contact Alex at alexo@northland.school.nz

If you are available to assist with supervision, please return the completed form to school by the end of next week **Thursday, 15 November**. If you have first aid or medical training, please also indicate on the slip. If you need to be at camp to support your child, it is important that we know this. Please either ring, visit or send a note to Alex about this by Thursday next week as well.

Kind regards and thank you on behalf of Team 4,

Alex Oliver
